Subject: House Gold King Mine report

Hey,

I was wondering if EPA had a response to the House natural resources committee report on the Gold King Mine spill. Among other things, it says EPA may have violated the Clean Water Act and Endangered Species Act.

http://naturalresources.house.gov/uploadedfiles/house_committee_on_natural_resources_gold_king_mine_report.pdf

Please let me know if EPA has a response. My deadline is 2 pm EST. Thanks!

Best,

Mike
